

How did you respond to the press?

I did nothing.

I ordered a bomb.

I had Jessica kidnapped.

I threatened the Prime Minister.

About This Game

I.Cartel is an Adventure-RPG text simulation game that places you in the shoes of a young boy who seeks to gain fortune from the criminal world. Every kingpin before you has been arrested or murdered. How will your story end?

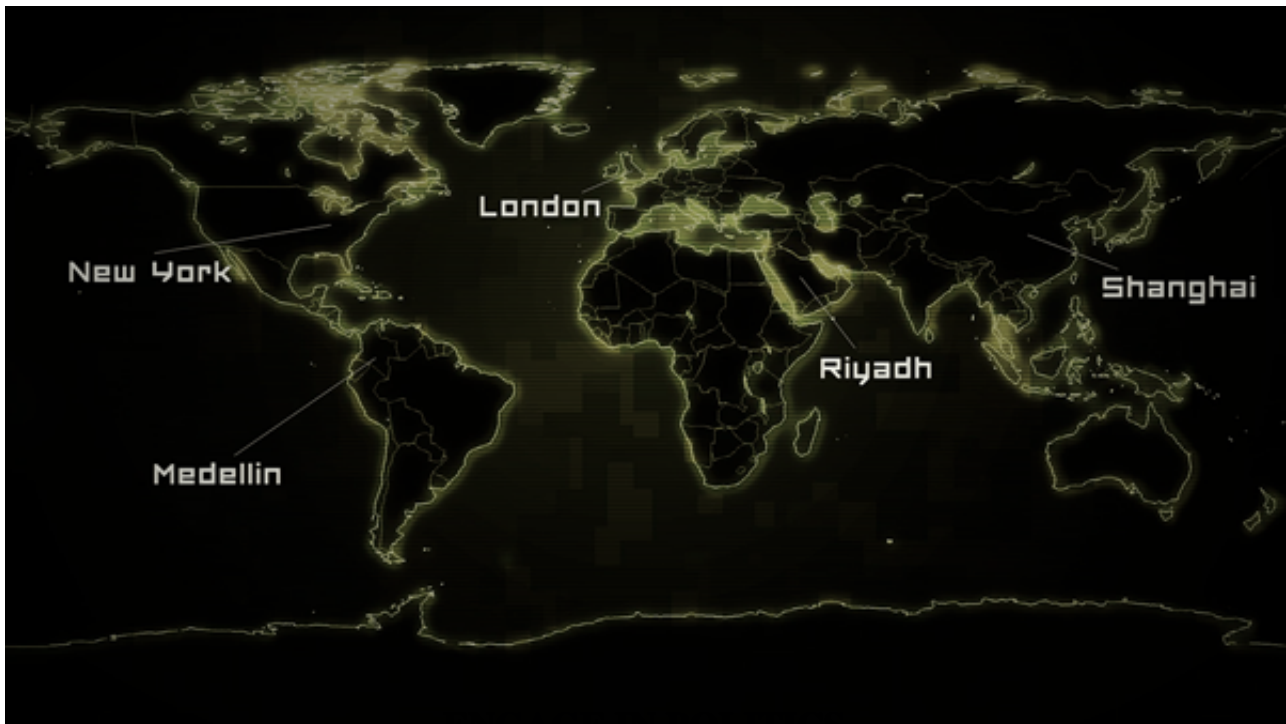

FEATURES

- Become the next big criminal
- Explore romances

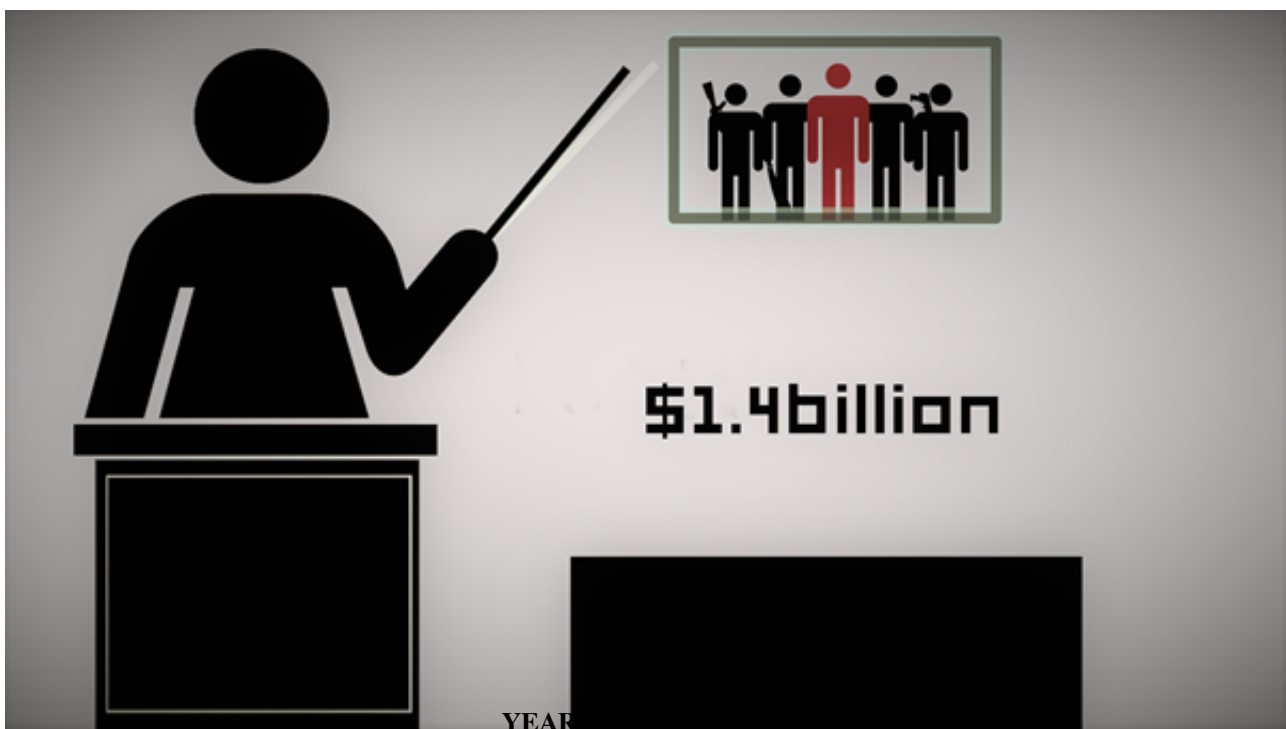

-
- Have children

CONTROL THE WORLD

- Purchase houses and properties in different countries

ENGAGE IN POLITICS

The year 2010 is displayed in a large, bold, white font. The two zeros are replaced by detailed fingerprint patterns, suggesting a digital or biometric theme.

High School
Age: 16

Start your story from the age of 16 and grow from there.

Control the world from the comfort of your desktop computer.

Literally.
